History

In Vino Erotico is an emotional wine... to be experienced. The result of a long reflection and a tasting done with a precise idea in mind : create a wine with a touch of sensuality, aromatic enchantment and a crisp texture. If Apollinaire had written about a wine... would In Vino Erotico have been the lucky one ?

Wine is a world of sensations, In Vino Erotico was created to satisfy them. Selecting vine plots with delicate characteristics, associated with the art of assembling the varietals, produce a wine that is silky, crisp and elegant...

Tasting

Trendy pale pink with light purple tints. Notes of citrus fruits on the nose, the freshness and the exoticism in the glass. Then come some marshmallow aromas, light and not exuberant.

Tangy notes of white flesh fruits charm the palate with a nice overall balance and a touch of liveliness.

The refreshing final invites you to refill yourself.

Food pairing

This lively wine will match vegetable dishes or summer grilled food
