### History

In Vino Erotico is an emotional wine... to be experienced. The result of a long reflection and a tasting done with a precise idea in mind : create a wine with a touch of sensuality, aromatic enchantment and a crisp texture. If Apollinaire had written about a wine... would In Vino Erotico have been the lucky one ?

Wine is a world of sensations, In Vino Erotico was created to satisfy them. Selecting vine plots with delicate characteristics, associated with the art of assembling the varietals, produce a wine that is silky, crisp and elegant...

### Soil

Terror of rolled stones.

### Vinification

Traditional maceration, long vatting of 30 days.

20% aged for 6 months in oak barrels.

Intense color with dark purple tints. The nose is rich with notes of violet, blackcurrant and raspberry followed by spices. Full bodied, yet fresh and fruity on the palate.
