### History

In Vino Erotico is an emotional wine... to be experienced. The result of a long reflection and a tasting done with a precise idea in mind : create a wine with a touch of sensuality, aromatic enchantment and a crisp texture.

If Apollinaire had written about a wine... would In Vino Erotico have been the lucky one ?

Wine is a world of sensations, In Vino Erotico was created to satisfy them. Selecting vine plots with delicate characteristics, associated with the art of assembling the varietals, produce a wine that is silky, crisp and elegant...

### Soil

Terroir of rolled stones.

### Vinification

20 % of oak Chardonnay.

Skin maceration for the Sauvignon Blanc and soft pressing for the Viognier.

Stirring of fine lees then blending.

### Tasting

Clear yellow colour with gold reflections. White flowers, yellow peach and small citrus fruits aromas subtly enhanced by pastries notes. The well-balanced mouth sways between mellowness and slightly acid flavours. A very chameleon wine.

### Food pairing

Ideal with cooked meat like poultry stuffed with morel, veal meat or even a camembert cheese.
